

2024 Impact of Philanthropy

\$1.6 million to fund Operating Room Integration Phase I, thanks to generous support for the Healing Hands Campaign.

Invested **\$237,000** in our caregivers through clinical education, nursing scholarships, employee relief and employee engagement.

\$220,000 to ensure safe transport for the tiniest and most vulnerable patients who require transport to SSM Health St. Mary's Hospital level III NICU.

\$111,000 for Healing Environment enhancements to benefit patients, staff and visitors, through Art Installations and Garden Improvements.

Philanthropic gifts funded new white boards in ALL patient rooms, cardiac rehab upgrades, and advanced technology for Radiation Oncology and Behavioral Health.

Funded a new sound system at St. Mary's Care Center, to improve access for the hearing impaired and benefit residents attending Mass, special activities, and life-enriching event programming.

Overall, in 2024, we provided **\$2,209,221** in philanthropic support to improve the patient experience and the health of our community.
