A PARTNER IN CARING

Charity Open

For nearly four decades, our community has come together in an extraordinary way – uniting compassion, generosity, and purpose – to support the annual **Agnesian HealthCare Foundation's Charity Open**. As we prepare for the 38th annual Charity Open, we invite you to once again join us in strengthening two of our community's most vital lifelines: local cancer care and hospice services.

Each year, the Charity Open helps ensure that individuals and families facing some of life's most difficult moments receive the care, dignity, and comfort they deserve – regardless of their ability to pay – and in their own community. In 2025 alone, patients served by the Hospice Home of Hope, who had zero ability to pay, received more than \$306,000 in compassionate, expert care, thanks to supporters like you.

Your sponsorship helps us:

- **Provide vital hospice services that offer dignity, comfort, and peace.**
- **Strengthen one of Wisconsin's most accredited cancer care facilities.**
- **Keep advanced care local so patients can remain near family and support systems.**
- **Continue the healing mission begun by the Congregation of Sisters of St. Agnes in 1896.**

Enclosed, you'll find information about our 2026 Charity Open sponsorship opportunities. Whether you choose to support as a premier sponsor, a major sponsor, or at another level meaningful to you, please know that your partnership has a direct and lasting impact.

Thank you for considering this important opportunity to support our community. We would be honored to have you join us.

With gratitude,

Mary Ann Vander Kooy

A life lived with grace

Mary Ann Vander Kooy's life was defined by faith, humility, and an unwavering devotion to others. She was rich in love - a quiet strength that shaped her family and community.

Mary Ann was the heart of her home. Her kitchen was a sanctuary of joy, where pies and baked goods told stories of care and connection. She taught her children not through degrees or accolades, but through her giving spirit and steadfast faith.

When illness touched Mary Ann's life, her family faced a difficult question: **How to care for a woman who had spent her life caring for everyone else? Their answer was the SSM Health Hospice Home of Hope - a place that offered dignity, peace, and compassion in her final days.** Here, Mary Ann was not just a patient; she was family. Even during the isolation of COVID-19, the staff became her circle of love, ensuring her journey home was filled with comfort and grace.

On November 19, 2020, Mary Ann's extraordinary life came to a close in the quiet embrace of the Hospice Home of Hope. Her story reminds us that the smallest acts of kindness - a soft blanket, a shared recipe, a listening ear - can transform life's hardest moments into something beautiful.

Your gift to hospice ensures that every patient, like Mary Ann, experiences this same dignity and love. Together, we can make sure no one walks their final journey alone.

Please consider supporting the Charity Open. Your generosity creates a sanctuary of care for those who need it most, regardless of their ability to pay.

The Charity Open, a premier event bringing together more than 300 esteemed community members and leaders, is a day of golf, raffles, dinner, silent and live auctions, and entertainment. An impactful program and touching patient testimonial are featured.
