

Your 2025 Impact — By the Numbers

Your support made no-cost access to the Diabetes Education Program possible for **639 patients.**

Your concern for others helped serve **3,276 inpatients** across seven adult hospitals and connected them to ongoing food support after discharge.

Your generosity helped provide **32 new bassinets** to support maternity and family care at SSM Health St. Clare Hospital and SSM Health St. Joseph - Lake St. Louis.

Your support helped bring comfort and calm to hospice patients, serving **124** through Music Therapy and **118** through Comfort Touch® Massage Therapy.

\$50,000 provided compassion and relief for SSM Health employees following the May 16 tornado.

3 pairs of Smart Glasses funded by supporters for advanced caregiver training.

One clear line of communication now connects **24 hospitals** at pivotal moments because you chose to give.

Your generosity helped ensure **642 new mothers** received ongoing monitoring, support, and postpartum care when it mattered most.

Thank you for making this impact possible

These highlights reflect more than individual programs or moments. They show what is possible because of you. Your generosity is expanding access, strengthening care teams, and helping SSM Health respond with compassion and confidence at moments of greatest need.

Every impact shared here is a reminder that when you give, you are not just supporting health care — you are helping build a healthier, more resilient community for today and for the future.
