

2023 Sponsorship Opportunities

Dear Sponsors and Partners in Health,

We hope you'll make plans to join us for the **SSM Health Foundation Gala**, to be held Saturday, September 30, 2023, at the Ritz-Carlton, St. Louis. An evening of inspiration and togetherness, this yearly celebration welcomes our family of partners and benefactors as we raise awareness and build support for some of the most pressing needs in our community.

Each year, we look to generous organizations like yours to sponsor this important event. Through your partnership, the SSM Health Foundation Gala can raise crucial funding for programs and facilities dedicated to improving the lives of those we serve, with proceeds benefiting SSM Health programs in the St. Louis region.

Sponsoring the SSM Health Foundation Gala is your opportunity to make a tangible difference in the lives of thousands throughout our area. Your support can ensure that, **when people need health care, someone is there to help.**

It's been said that health care is a calling; speaking on behalf of all of us at SSM Health, it's our privilege to serve. Every day, we touch the lives of families throughout our region, enriching our community through the care we provide. But we need your help. It's only through the support of our sponsors, partners and benefactors that we're able to extend a helping hand to all those who need us.

We hope you'll join us in supporting the Mission of SSM Health: "Through our exceptional health care services, we reveal the healing presence of God." **Your attendance is important. Your presence is impactful. Your partnership makes a difference.**

In Gratitude,

Jeremy Fotheringham
Academic and Regional President
SSM Health St. Louis

Paul R. Ross | President
SSM Health Foundation – St. Louis
Region Vice President, Philanthropy

Through sponsorships, corporations receive the opportunity to make a significant impact on the health of SSM Health patients, families and the communities in which they live. We are proud to offer a variety of opportunities that enable corporations to make a difference in the lives of many in the St. Louis region.
